The Division will be approaching the Board of Oil, Gas and Mining on February 26, 1992, regarding the Aragonite sites surety. The Division will be recommending that the surety be dropped to \$6,000. Please see the attached Board memo and surety estimate regarding our presentation and request to the Board.

If you are planning to attend the Board hearing, please contact me. The Aragonite item will go on at the 9:00 a.m. session.
